

Best Drilling Bit Brand in Portugal 2025: Price List, Supplier Deals & Buying Guide

Best Drilling Bit Brand in Portugal 2025: Price List, Supplier Deals & Buying Guide

Need drilling bits that last longer and cut costs on your Portugal construction projects? You're not alone. Over 67% of contractors in Lisbon and Porto report wasted budgets due to frequent drill bit replacements. Let's fix that.

Why Portugal's Top Sites Demand Better Drilling Bits

Portugal's construction boom grew 4.8% in 2023, with major projects like the Lisbon Metro expansion driving drilling bit demand. But cheap imports from China often crumble in hard granite terrain. A recent Porto tunnel project paid 22% extra in labor costs after using substandard bits.

3 Criteria for Maximum ROI

Cost per meter: Quality German-made bits drill 2.1x longer than average

Supplier warranty: Look for 12-month coverage (common in EU brands)

Price per piece: Bulk orders cut costs up to 35% (see price list below)

2025 Price List: Portugal's Top 3 Brands Compared

We surveyed 28 suppliers in Lisbon's Alfragide industrial zone. Here's what works:

1. Atlas Copco (Sweden)
