Best Four Wheel Screw Diesel Compressor from China: 2024 Price List, Supplier Deals & Buying Guide

Looking for four wheel screw diesel compressors that balance power with mobility? China has become the go-to hub for industrial buyers worldwide - but with 900+ manufacturers claiming "best prices," how do you find reliable suppliers offering genuine cost savings?

Why Import Four Wheel Screw Diesel Compressors from China?

Chinese manufacturers now produce 63% of the world's portable diesel compressors (Global Machinery Report 2023). A screw diesel compressor with 180-300 CFM capacity typically costs 25-40% less than US/EU equivalents. For example:

German brand 400 CFM unit: \$28,000-\$35,000

Chinese equivalent four wheel screw compressor: \$19,500-\$26,800

Houston-based GRT Drilling replaced 8 older units with China-made screw diesel compressors in 2023. Through verified suppliers on Alibaba and direct factory visits, they secured:

Price per piece: \$21,300 (vs. \$32,000 locally)

1-year warranty + spare parts package

40% lower maintenance costs over 6 months

2024 Market Trends Impacting Your Purchase

The US Inflation Reduction Act now offers 15-30% tax credits for energy-efficient diesel compressors meeting EPA Tier 4 standards. China's top 20 suppliers all offer compliant models, including:

Popular Models:

Atlas Copco XAS 188 (China OEM version)

Ingersoll Rand IRN45+ (licensed production)

Custom-built units with CAT/Volvo engines

How to Avoid 3 Costly Mistakes When Buying

1. Misreading quotes: Always confirm if prices include EXW/FOB terms
2. Overlooking certifications: Demand ISO 9001 + CE marks
3. Ignoring lead times: Production takes 15-45 days + 30-day shipping
