

Best Screw Diesel Air Compressor Import from China 2025: Price, Supplier Deals & Buying Guide

Best Screw Diesel Air Compressor Import from China 2025: Price, Supplier Deals & Buying Guide

Looking to import screw diesel air compressor units with maximum ROI? China dominates 62% of global air compressor manufacturing, offering prices 30-50% lower than US/EU suppliers. This guide reveals updated 2025 costs, verified supplier lists, and step-by-step import strategies to slash your operational costs.

Why Smart Buyers Choose China for Screw Diesel Air Compressor Purchases

US construction firms saved \$78,000 average per shipment by importing Chinese-made compressors last year. Top-rated models like the Atlas Copco clones now deliver 8,000+ operating hours with proper maintenance - matching European performance at half the price per piece.

The Hidden Costs of Local Purchases (And How China Beats Them)

Local distributors often markup Chinese compressors by 200-300%. A Texas drilling company proved this by comparing quotes:

- o USA dealer: \$28,500 for 375 CFM unit
 - o Direct China supplier: \$9,200 FOB Shanghai
- After shipping/taxes? Still saved \$12,300 per unit.

2025 Price List for Top Models

Below are verified February 2025 EXW prices from Guangdong manufacturers:

Mobile screw diesel compressors (4-20 bar):

- o 100 CFM: \$5,800-\$7,200
- o 250 CFM: \$8,900-\$11,400
- o 500 CFM: \$16,500-\$21,000

Stationary industrial models cost 15-20% less. Always request quotation with torque specs and CETOP certification details.

3-Step Import Success Formula

Verify suppliers: Check CNAS ISO certificates + 3 real client references

Negotiate MOQ: Most factories accept 1-5 units for initial orders

Choose Incoterms: FOB works best for first-time importers

Real Import Case: Arizona Mining Co. Saved \$214k

After 8 months of local compressor failures, they imported 18 units from Zhejiang:

- o Total landed cost: \$197,000
- o Equivalent local price: \$411,000

Bonus: Got free spare filters worth \$2,800 through wholesale negotiation.
