

Best Screw Diesel Air Compressor in Sweden 2025: Cost, Supplier Deals & Price Quotations

Best Screw Diesel Air Compressor in Sweden 2025: Cost, Supplier Deals & Price Quotations

Need to know how much a screw diesel air compressor costs in Sweden? You're not alone. Over 62% of industrial buyers in Scandinavia prioritize upfront pricing when purchasing heavy machinery. Let's cut through the noise and give you real numbers.

What's the Price Range in 2025?

The average screw diesel air compressor cost in Sweden ranges from EUR8,500 to EUR35,000+. Why such a big gap? It depends on:

Power output (7.5 kW to 250+ kW models)

Brand - Atlas Copco vs Chinese OEMs

Fuel efficiency - Tier 4 Final engines cost 12-18% more

Breaking Down Sweden's Market Trends

Sweden's carbon tax (currently EUR112 per ton CO₂) pushes demand for energy-efficient models. Last year, Kaishan compressors saw a 29% sales jump in Gothenburg ports - their ECO series cuts diesel use by 22%.

Supplier Price List (Updated 2025)

Here's what top suppliers charge for screw diesel air compressors in Sweden:

Basic 10-bar models: EUR8,500-12,000 (e.g., Ceccato 15 kW)

Mid-range 13-bar units: EUR18,000-25,000 (Atlas Copco XAS 67)

High-pressure 20-bar systems: EUR28,000-35,000+ (Ingersoll Rand XP985)

Pro tip: Ask for VAT-exclusive quotes. Sweden's 25% VAT isn't always included in ads!

Case Study: Stockholm Construction Firm Saves 15%

AB Drivkraft (a Stockholm-based contractor) needed 3x 25 kW compressors. They:

Compared 5 suppliers (Sweden + Germany)

Requested FOB Gothenburg pricing

Negotiated bulk discount

Result? EUR61,200 total vs initial EUR72,000 quote. Always ask for wholesale deals when buying multiple units.

Where to Get Instant Quotes in Sweden

Best Screw Diesel Air Compressor in Sweden 2025: Cost, Supplier Deals & Price Quotations

Top-rated suppliers with local warehouses:

Atlas Copco Sverige (Stockholm/Malmö)

IndustrialAir AB (Gothenburg)

NordicMachinery (EU-wide delivery)

Bonus: NordicMachinery offers free ROI calculators - see how fast your compressor pays for itself.

Last-Minute Cost-Saving Hacks

Check Sweden's "Green Machinery Grants" - up to EUR4,000 rebate for Tier 4 Final models. Don't forget: Used compressors cost 40-60% less. A 2022 Atlas Copco XAS 185 sold for EUR16,900 last month (original price: EUR27,500).
