

Engineering Drilling Rig Rental Cost in Singapore 2025: Monthly Price List, Quotes & Supplier Deals

Engineering Drilling Rig Rental Cost in Singapore 2025: Monthly Price List, Quotes & Supplier Deals

Struggling to budget for your Singapore construction project? Engineering drilling rig rental cost often makes up 15-30% of total equipment expenses. Let's cut through the confusion and reveal how to secure the best value in 2025.

Singapore's Rental Market: Prices Up 12% Since 2023

According to BCA (Building & Construction Authority), over 80 civil engineering projects are active in Singapore Q2 2024. This demand surge pushed drilling rig rental prices to S\$5,000-S\$18,000/month depending on:

- Rig type (crawler, truck-mounted, hydraulic)
- Depth capacity (30m vs 100m+ models)
- Duration (6-month contracts get 8-15% discounts)

Case Study: Saved S\$46k with Smart Supplier Choice

Jurong Port contractor LKH Group avoided buying S\$800k rigs by renting 3 German-made Bauer machines at S\$14,200/month each. "We compared 6 suppliers' quotations - the winning bid included free operator training," shared project lead Ms. Tan.

2025 Price Guide: Monthly Rates & Hidden Costs

Here's what 12 major suppliers quote for common rig types:

- Small Crawler Rigs (30m) S\$5,200-S\$7,800
- Medium Rotary Rigs (80m) S\$9,500-S\$13,000
- Large Hydraulic Rigs (120m+) S\$15,000-S\$18,000+

Watch for extra costs: 88% of suppliers charge separate fees for transport (S\$300-S\$1,200) and drill bits (S\$90-S\$450/day). Always ask for full price breakdowns.

Pro Tips: Slash Your Rental Cost by 20%

- Rent from China-made brands (XCMG/SANY rigs cost 18-25% less than European models)
- Book during Q3 monsoon season - 10-12% discount windows
- Use combo deals (rent drilling rig + screw diesel air compressor from same supplier)

Looking for the fastest ROI? Suppliers like Yongmao Holdings now offer battery-powered rigs qualifying for
