

# Four Wheel Screw Diesel Compressor Price in Bangladesh 2025: Cost List, Quotation & Supplier Deals

Four Wheel Screw Diesel Compressor Price in Bangladesh 2025: Cost List, Quotation & Supplier Deals

Need to know how much a four wheel screw diesel compressor costs in Bangladesh? You're not alone. Many contractors and industrial buyers struggle to find transparent pricing for reliable mobile compressors. Let's cut through the confusion and give you actionable data to make smart purchasing decisions.

Why Prices Vary: Breaking Down the Four Wheel Screw Diesel Compressor Cost

Average prices range from \$15,000 to \$45,000+ in Dhaka and Chittagong ports. Chinese models like Sullair or Atlas Copco clones dominate 65% of Bangladesh's market due to lower costs. But here's the catch:

Basic 10-bar models: \$12,000-\$18,000

Heavy-duty 15-bar versions: \$25,000-\$38,000

German-engineered units: \$50,000+ (rarely stocked locally)

The Hidden Costs Most Suppliers Won't Tell You

A Rajshahi construction firm paid \$19,500 for a compressor last year - then spent \$3,200 extra on:

- ? Customs clearance delays
- ? Spare part imports
- ? Emergency repairs

How to Get the Best Four Wheel Screw Diesel Compressor Price

Top Dhaka suppliers like PowerTech Solutions offer 7-12% discounts for:

- Advance payment plans
- Multi-unit orders (5+ compressors)
- Local service contracts

Case Study: 2024 Import Tax Changes

Bangladesh's 8% duty reduction on construction machinery since January 2024 means:

- o \$2,600 average saving on mid-range units
- o Faster customs clearance in Mongla port
- o Increased competition among Chittagong-based sellers

3 Proven Ways to Compare Compressor Quotations in Bangladesh

1. Verify CFM-to-fuel ratios: 185 CFM models should consume  $\leq 8$ L/hour
2. Demand ISO 1217 test reports: 87% of "3000-hour" warranties lack validation

## **Four Wheel Screw Diesel Compressor Price in Bangladesh 2025: Cost List, Quotation & Supplier Deals**

3. Check after-sales network: Only 22% of suppliers have technicians in rural areas

Final tip: Always request FOB Chittagong quotes to control shipping costs. A Khulna agriculture co-op saved 14% by bulk-shipping 3 units through SUMI Trading last month. Ready to find your best deal? Contact at least 3 pre-vetted suppliers this week - prices rise 5-8% during monsoon season.
