

# Second Hand Core Drilling Rig for Sale in Pakistan 2024: Price List, Quotation & Buying Guide

Second Hand Core Drilling Rig for Sale in Pakistan 2024: Price List, Quotation & Buying Guide

Looking for a second hand core drilling rig price in Pakistan? You're not alone. Over 60% of construction and mining companies now seek refurbished equipment to slash costs. But how do you avoid scams while getting real value?

## Why Pakistan's Market Demands Affordable Drilling Solutions

Pakistan's construction sector grew 7% in 2023 (State Bank of Pakistan), with infrastructure projects like CPEC Phase 2 driving demand. Yet tight budgets force contractors to hunt for low-cost core drilling rigs. A used Atlas Copco rig costs PKR 2.5M vs PKR 8.5M new - that's 70% saved.

## 3 Risks When Buying Used Equipment Locally

Hidden engine damage in humid Karachi weather

Odometer fraud showing fake usage hours

No warranty from roadside dealers in Lahore

## 2024 Pakistan Price List: What's Fair?

A 2023 survey found second hand core drilling rig prices in Pakistan range from PKR 1.8M to PKR 4.2M.

Popular models:

Soilmec SR-30 (2020 model): PKR 3.2M-PKR 3.8M

Sandvik DE130 (2018): PKR 2.1M-PKR 2.9M

Chinese clones: From PKR 1.2M (no parts guarantee)

Imported German rigs cost 15% more but last 2-3x longer. A Karachi buyer saved PKR 920,000 by importing a 2019 Bauer rig through Turkey.

## Get the Best Quotation in 4 Steps

Follow this ROI-focused guide:

Check drilling depth needed (30m vs 100m models differ 40% in price)

Verify service history via manufacturer portals

Compare supplier deals from China vs European refurbishers

Request GST-inclusive quotes from 3 verified dealers
