Second Hand Core Drilling Rig for Sale in Poland 2024: Price List, Quotation & Supplier Deals

Looking for an affordable second hand core drilling rig price in Poland? You're not alone. Over 65% of construction companies now buy used equipment to cut costs. Let's break down how to get the best deal.

Why Polish Buyers Choose Second-Hand Rigs

Poland's construction sector grew 8.3% in 2023 (Central Statistical Office). But new rigs cost EUR28,000-EUR45,000. Used core drilling rigs sell for EUR9,500-EUR18,000 - that's 60% savings. Take Zielonka Construction: They bought 3 refurbished rigs from Germany last year, cutting equipment costs by EUR52,000.

2024 Price List & ROI Calculation

Here's current second hand core drilling rig price in Poland:

Basic models (2015-2018): EUR9,500-EUR12,000

Mid-range (2019-2021): EUR13,500-EUR16,000

Premium refurbished: EUR17,000-EUR18,000

Always ask for:

Maintenance history (minimum 2-year records)

Hydraulic system test report

EU CE certification copy

How German Suppliers Dominate the Market

60% of Poland's used rigs come from Germany. Why? German law requires strict equipment recycling. Bauer and Klemm rigs hold 80% value after 5 years. A Poznan drilling contractor saved EUR7,200 using a Hamburg-sourced rig - fuel efficiency matched new models.
