Second Hand Crawler Air Compressor Price in Spain 2024: Cost List, Quotations & Buying Guide

Looking for second hand crawler air compressor price in Spain? You're not alone. Over 65% of construction companies in Spain now opt for pre-owned equipment to cut costs without sacrificing power. This guide breaks down 2024 pricing, supplier deals, and critical ROI tips - all in plain language.

## Why Buy a Used Crawler Air Compressor in Spain?

New models can cost EUR80,000+, but second-hand crawler air compressors in Spain typically sell for EUR15,000-EUR50,000. The Spanish construction boom - up 4.3% in Q1 2024 - drives demand for mobile, budget-friendly solutions. One Madrid-based contractor saved EUR24,000 buying a 2019 Atlas Copco unit through a certified dealer.

## 2024 Price Ranges (VAT Excluded)

Small units (185-250 CFM): EUR15,000-EUR25,000

Mid-sized (300-400 CFM): EUR28,000-EUR40,000

Industrial (500+ CFM): EUR45,000-EUR70,000

## 3 Mistakes to Avoid When Buying Used

**Problem:** Many buyers get burned by hidden repair costs. **Agitate:** A 2023 study found 33% of used compressor buyers in Andalusia overspent by EUR5,000+ on unexpected repairs. **Solution:** Always demand:

Service history logs

Hydraulic system inspection reports

EU emissions compliance certificates

## Where to Get Competitive Quotations

Top Spanish suppliers like Maquinaria Ocasión Madrid offer EUR100-EUR300/hour onsite testing. For comparison, Germany's used compressor prices run 12-18% higher due to stricter certifications. **Pro tip:** Ask about Spain's "Industrial Renovation Fund" - it offers 15% rebates for eco-friendly equipment upgrades until December 2024.

## Real-World ROI Example

Bilbao Wind Farm purchased a 2021 Sullair 600 CFM model for EUR38,500 (vs. EUR89,000 new). With EUR1,200/month fuel savings, they recouped costs in 14 months. **Maintenance?** Just EUR850 annually - that's 60% cheaper than leasing.
