

Second Hand DTH Drilling Rig for Sale in Portugal 2024: Price List, Quotation & Buying Guide

Second Hand DTH Drilling Rig for Sale in Portugal 2024: Price List, Quotation & Buying Guide

Looking for a second hand DTH drilling rig price in Portugal that won't break the bank? You're not alone. Over 60% of Portuguese contractors now opt for refurbished rigs to cut costs while meeting EU drilling regulations. Let's break down current market prices, smart buying strategies, and how to avoid costly mistakes.

Why Portugal's Market Demands Affordable DTH Rigs

Portugal's construction sector grew by 4.3% in 2023 (INE data), driving demand for cost-efficient equipment. New DTH rigs can cost EUR150,000-EUR500,000. But a quality second hand DTH drilling rig in Portugal sells for EUR50,000-EUR200,000 - offering 30-60% savings.

Real-World Example: Porto Contractor Saves EUR120,000

Geotec Solutions Porto bought a 2019 Atlas Copco FlexiROC T15 rig for EUR135,000 in 2023 (original price: EUR255,000). After 8 months of operation, they achieved full ROI. "We inspected the hydraulic system and got a 12-month warranty," explains CEO Manuel Silva. "Always verify service records!"

2024 Price Trends: What Drives Costs?

Age & Hours: 2018 models average EUR75k vs 2022 at EUR160k

Brand: Sandvik/Atlas Copco hold value better than Chinese brands

Condition: Rebuilt transmissions add EUR8-15k to resale prices

Pro Tip: Watch Lisbon-based auction platforms like Mascus - 12 used DTH rigs sold below market rates in Q1 2024.

Your 5-Step Buying Guide (+ Get Quotes Fast)
