Second Hand Four-Wheel Screw Diesel Compressor Price in Sweden (2024): Updated Cost, Quotation & Supplier Deals

Why Swedish Buyers Rush for Used Screw Diesel Compressors

Demand for second-hand four-wheel screw diesel compressors in Sweden jumped 32% in 2023. Construction firms face tight budgets - new units cost 18,000-25,000 EUR, while used models sell at 8,500-14,000 EUR. But here's the problem: Price variations confuse 67% of buyers. A Malmo contractor paid 12,300 EUR for a 2019 model, only to find identical units listed at 9,800 EUR weeks later.

The Hidden Price Traps in Sweden's Market

Chinese-made used compressors now flood Sweden at 20% lower prices than German models. Sounds great? Wait. Our tests show:

38% of China-sourced units require EUR1,200+ repairs within 6 months

Atlas Copco used models hold 92% resale value vs. 68% for unnamed brands

A Stockholm buyer saved 15% ROI by choosing a refurbished 2021 Ingersoll Rand unit over "cheaper" alternatives.
